

Hanen Centre Three-Day Workshop

on the

You Make The Difference

Parent-Child Interaction Program

September 20, 21, 22, 2006

Hosted by
The Learning Community
GISD Even Start
Flint, Michigan

This workshop provides intensive, small-group facilitator training to professionals who provide parent education and support to families of children birth to 5 years.

There is no registration fee for Michigan **Even Start** programs. Each Even Start program can send **one person per program**; other interested staff will be put on a waiting list. If a program decides not to use their "slot" we will invite people on the waiting list based on the date registration was received.

Local Even Start programs are responsible for travel, lodging and additional meals for their staff. Lunch and a continental breakfast will be available each day of the workshop.

Please register on or before September 5, 2006
